Powering India's Clean Energy Future

Renewable Mirror is bringing together the leaders shaping India's energy transition through a series of high-impact conferences and networking platforms across the country.

The RE-Pax India summit series will serve as a meeting point for solar manufacturers, energy storage companies, EV industry leaders, EPC contractors, developers, financial institutions, policymakers, government representatives, and technology innovators.

Designed to foster meaningful business connections and industry dialogue, these events will provide a platform for knowledge sharing, collaboration, investment discussions, and market expansion opportunities.

Industry-Focused Discussions

A major highlight of the summit series will be dedicated leadership sessions on Solar Manufacturing and Energy Storage, two sectors that are playing a critical role in India's renewable energy growth story.

Industry experts, policymakers, manufacturers, investors, and project developers will come together to discuss emerging opportunities, policy developments, technological advancements, supply chains, and the future roadmap for these sectors.

Why Partner With Us?

The RE-Pax India Series offers a unique opportunity to engage directly with key decision-makers from across the renewable energy ecosystem. Through sponsorships, speaking opportunities, branding integrations, and networking sessions, participating organizations can strengthen their market presence, showcase innovations, and build valuable business relationships.

With representation from leading renewable energy companies, government agencies, utilities, investors, and industry associations, the platform is designed to create tangible business outcomes while contributing to the growth of the clean energy sector.

CONFERENCE CALENDER

S.NO	Event Name	City/Region	Date/Month
1st	RE-PAX Conference	Nashik	5 August 2026
2nd	RE-PAX Conference	Jodhpur	27 August 2026
3rd	RE-PAX Conference	Bhopal	16 Sep 2026
4th	RE-PAX Conference	New Delhi	24 Sep 2026
5th	RE-PAX Awards Night	New Delhi	22 Oct 2026
6th	RE-PAX Conference	Kochi & Gujarat	Nov 2026
7th	RE-PAX Conference	Goa	Dec 2026

Renewable Energy Conference 2026

THEME:

Accelerating India's Clean Energy Transition: Manufacturing, Storage & Sustainability

Time

Agenda

09:30 AM - 10:30 AM

Registration, Welcome Tea & Coffee, Networking

10:30 AM – 11:00 AM

Inaugural Session - Welcome Address by Organizer, Lamp Lighting Ceremony, Address by Chief Guest, Special Address by Industry Leader

11:00 AM – 11:45 AM

Session 1: Solar Manufacturing – Building India's Global Leadership Discussion Topics:

- India's Solar Manufacturing Growth Story
- ALMM, DCR & Policy Framework Driving Domestic Manufacturing
- Advancements in TOPCon, HJT & Next-Generation Cell Technologies
- Solar Cell, Wafer & Ingot Manufacturing Expansion Plans
- Supply Chain Localization & Import Substitution
- Export Opportunities for Indian Solar Manufacturers
- Financing and Investment Trends in Solar Manufacturing

11:45 AM – 12:30 PM

Networking Tea & Coffee Break

12:30 PM – 01:15 PM

Session 2: Energy Storage – Enabling a Reliable Renewable Future Discussion Topics:

- The Growing Role of Battery Energy Storage Systems (BESS) in India
- Utility-Scale Storage for Grid Stability and Renewable Integration
- Emerging Technologies in Energy Storage
- Manufacturing Opportunities in India's Storage Ecosystem
- BESS Policy & Regulatory Framework
- Financing Large-Scale Storage Projects
- Energy Storage for C&I, Data Centres and EV Infrastructure

1:15 PM – 01:30 PM

Corporate Video & Presentation

01:30 PM 02:30 PM

Networking Lunch

02:30 PM – 03:00 PM

Renewable Energy Leadership & Excellence Awards 2026

03:00 PM – 04:00 PM

Networking Tea & Coffee

04:00 PM

Conference Concludes

VISITOR PROFILE

- Government departments and PSU officials
- Dealers, distributors and installers
- Industrial and commercial power consumers
- Developers and EPC contractors

VISITORS BENEFITS

- Learn about PM Surya Ghar – Muft Bijli Yojana for residential rooftop solar subsidies
- Understand PM-KUSUM Scheme benefits for solar pumps and agricultural solar projects
- Get guidance on Government rooftop solar and net metering policies
- Meet EPCs and manufacturers offering subsidy-linked and turnkey solar solutions
- Explore affordable solar options for homes, farms, MSMEs, and commercial users
